

THE FOLLOWING ARE THE QUESTIONS THAT CAME IN BEFORE THE DEADLINE. THE QUESTIONS ARE ADDRESSED IN RED AFTER EACH QUESTION.

1. Does the County want to issue a single Master Task order Agreement or multiple agreements (one for each area of expertise desired and described on pgs 3-6)? **WE WILL CONSIDER EITHER OR BOTH. WE ANTICIPATE SEVERAL PROJECTS AND WILL NEED VARIED EXPERTISE FOR THE VARIETY OF PROJECTS.**
2. Are the mitigation projects anticipated on public or private land? **PRIMARILY ON PRIVATE LAND. THERE WILL BE SOME WORK ON PUBLIC LAND AND/OR INFRASTRUCTURE THAT COULD BE LOCATED ON PRIVATE LAND, OR ON PUBLIC LAND.**
3. When preparing the SOQ, in expertise and experience, will pages with project briefs count towards the 5 page-limit? **NO, WE WOULD RATHER HAVE BETTER KNOWLEDGE OF PROJECT EXPERIENCE.**

Can a 11x17 page be included in the approach section when providing an organizational chart? We have a few questions related to the above RFQ: **YES**

1. What factors drove the timing of the RFQ advertisement and compressed SOQ submittal schedule (considering the holiday season)? Was it a grant funding deadline or something else?? **WE HAVE BEEN AWARDED FUNDING FROM NRCS. THE TIMELINE FOR COMPLETING THE PROJECTS IS RATHER SHORT.**
2. During the first six months of 2019, what are the primary work elements that the selected engineering consultant will need to focus on? **FLOOD MITIGATION MEASURES INITIALLY AND FIRE RESTORATION MEASURES AFTER THE INITIAL FLOOD MEASURES ARE COMPLETED.**
3. Regarding Scope of Services item #8, which NRCS office (or staff) will the consultant be required to coordinate with? **BOTH LOCAL AND STATE NRCS OFFICES ARE INVOLVED. THE LOCAL OFFICE IS IN WALSENBURG.**
4. In Section "B. Expertise and Experience" a 5 page limit is mentioned. Please confirm this the page limit is for Section B. What is page limit for entire SOQ? **THERE IS NO PAGE LIMIT STATED IN THE SOQ**

I have a copy of the abovementioned RFQ and in the document, it states that any amendments or modifications will be updated on the [www.huerfano.us](http://www.huerfano.us) site. I have been monitoring the site to ensure I don't miss any information but was curious to know if it would be posted on the home page or along the left side of the site under notices? **THERE ARE NO AMENDMENTS OR MODIFICATIONS TO THE RFQ.**

1. What is the basis for requiring that "All team members working on this project must be physically located in Colorado" (page 12 of RFQ)? We have personnel located outside of Colorado that could bring added value to the project. **THE REQUIREMENT COULD BE WAIVED IF THE BOARD OF COUNTY COMMISSIONERS AND OTHER PROJECT PARTNERS FELT IT WOULD BE TO THE BENEFIT OF THE COUNTY TO DO SO.**

2. Because there is a five-page limit to the “Expertise and Experience” section of the qualifications submittal, would it be acceptable to include more extensive descriptions of relevant projects as an appendix to the submittal package? **YES, RELEVANT PROJECT INFORMATION IS ACCEPTABLE AS AN APPENDIX.**
3. Would it also be acceptable to include full-page resumes as an appendix to the qualifications submittal package? **YES.**
4. On Page 9 of RFQ, Item B (Expertise and Experience), sub-item b) “Experience with project management, design and project”, please clarify/explain further what is meant by “experience with *project*”. **PROJECTS ARE SPECIFICALLY IDENTIFIED BY THE NRCS. EXPERIENCE WITH PROJECTS WOULD BE DIRECT EXPERIENCE WITH PROJECTS IDENTIFIED OR DESIGNED BY THE NRCS.**
5. Page 3, SCOPE OF SERVICES Background section, second paragraph: please confirm that “...qualifications for any *of* all of the following...” should read “qualifications for any *or* all of the following...” **CORRECT – THANKS FOR CATCHING THAT.**
6. As part of the project design, will the County require that the surveys be conducted by a Professional Land Surveyor? **EACH PROJECT WILL HAVE ITS OWN REQUIREMENTS. SOME MAY NOT REQUIRE A PLS, SOME WILL.**

I am considering your request for proposals #2018-08 for County Engineer Services. I have no questions other than are there any addenda? Can I receive a copy of answers to questions submitted? **NO ADDENDA OR MODIFICATIONS TO THE RFQ.**
