

Colorado Oil and Gas Conservation Commission eForms Alerts for 6/22/2015

Message

This permit is for an already existing well. OXY plans to place additional perforations in the casing above the level of previous perforations in an attempt to extract additional CO2 from this well.

New regulatory forms were received today in your designated areas of concern. Please check out our web site, http://cogcc.state.co.us/COGIS_Help/LGDProcesseForm.pdf for further information.
