

## Colorado Oil and Gas Conservation Commission eForms Alerts for 7/28/2015

Message

New regulatory forms were received today in your designated areas of concern. Please check out our web site, [http://cogcc.state.co.us/COGIS\\_Help/LGDProcesseForm.pdf](http://cogcc.state.co.us/COGIS_Help/LGDProcesseForm.pdf) for further information.

This is an application for a recompletion. That is where they place perforations closer to the surface into the existing casing to try to extract additional CO2 from this already existing well.
