Documents

Look in the Documents section at the bottom of the application portal for a checklist for the type of application you are interested in. Checklists outline the process and describe all of the attachments you will have to submit with your application.

1. My Portal
2. Apply Online
3. Sign in; If you do not have an account, you will need to [sign up](#) for an account.
 - a. If you are creating a new account, you will have to go to your email and click the confirmation link to log in.

What type of application do you need today?

What type of application do you need today?

4. Select Land Use and Planning
5. Enter the address or parcel number for your project.
 - a. Type % before the address if you're looking for an address that doesn't appear in the dropdown (if address is written differently in our records).
 - b. If you don't know your parcel or schedule number, find your parcel on the [County's map](#)
6. Fill in all parts of application.
7. **Submittals:** Your application is not complete until you upload required submittals.
 - a. Submittal file size is limited to 200mb If your files are larger than that, try zipping them. If they are still too large, email files to building@huerfano.us and describe the application they belong to.
