Issuance of the permit signifies that the requesting individual has permission by the Fire Chief or other authorized agent to conduct controlled open burning of grass, brush, tree trimmings, and other combustible debris not to include rubber, plastic, oils, asphalt, or any other material which is considered to emit hazardous smoke or other byproducts.

**The individual whose signature appears below fully accepts the responsibility to:**

- Have someone at least 18 years of age monitor and control the fire at all times
- Notify the Huerfano County Dispatch Center (719) 738-1044, immediately prior to starting the fire. If any temporary fire restrictions or weather conditions are in place at that time, permittee will be advised to reschedule for a later date.
- Notify Dispatch that the burn has been completed.
- Be liable for all damages to property of his or others and be responsible for cost associated with the fire suppression if fire department intervention is necessary.

This permit can be revoked at any time by the Fire Chief or authorized agent and will become null and void upon the issuance of a "Fire Ban" by the Huerfano County Commissioners or Huerfano County Sheriff or notification of a high wind watch/warning day and/or a fire weather watch/red flag warning day. Other permits may be required or other State and Federal laws and regulations may apply to the safe and legal burning of the material described herein. **This permit is only valid for unincorporated Huerfano County in this permit. Burns within the municipal limits of the Town of La Veta or City of Walsenburg do not use this process.**

NOTE: Large wood piles, old structures, any burns that are in close proximity to exposures, etc. may require fire department assistance to help property owners keep the fire under control. Under these circumstances a fee may be charged for equipment, mileage and hours. The Fire Department will also notify the Las Animas-Huerfano Counties District Health Department.
